Needs Your Help!

The Montgomery Township Education Foundation is a privately operated, non-profit organization that is raising money for our schools. The primary purpose of the Foundation is to seek support for educational projects including improving educational facilities, acquiring needed equipment, and providing innovative technological teaching and learning systems.

The MTEF has made the construction of an all-weather, synthetic turf field its first project. The new field will be ready for the coming Fall Season and can be used for school and community groups in spring, summer and fall. Soccer, football, marching band, cheerleading, lacrosse, and field hockey are among the teams/programs that will benefit. We secured the loan necessary to begin the project, but we need your help to meet our ten year obligation.

We need your support! You can make a one-time or annual tax-deductible donation for a period of up to ten years. Thank you for your support.

Please make checks payable to:

Montgomery Township Education Foundation
P.O. Box 171
Skillman, NJ 08558

Name(s) of Donor to be recognized: _____

Name: _____
